The reasons for the change are given in ~~the~~ paras 2, 3 & 4 of letter under disposal. Rule 3 under sec 57 of the C.A Code requires the verification of the verification statement by the Consul. to allow, but such a verification in the present case does not seem necessary, as the details given under the col "Present Scale" in respect of which verification is required, is in accordance with the sanctioned scale. The Change involves no extra cost to Govt.

This should be invariably done in all cases. H

Such an exception is not contemplated H

Esquire.

of His Highness the Maharaja

General and Revenue Department

Sir

I have the honor to solicit sanction of the proposal made in the enclosed "proposition Statement" to enable me to entertain three ~~first~~ ~~grade~~ Probationary Inspectors on Rs 35+10. There are three first grade Assistant Inspectors now ~~on this grade~~. The designation of these six officer

officers may be changed from Assistant Inspectors to Probationary Inspectors.

2. At present great difficulty is experienced in filling up temporary vacancies among Inspectors

3. Further there are several Ranges which consist of more than one taluk and where the Excise work is too heavy for one Inspector. The result has been that the disposal of applications for tree-tapping Licenses is not prompt, the conservancy of groves is neglected, the inspection of Excise shops is not regular, and the investigation of cases is delayed.

All

All this means loss of revenue.

In such ranges I propose to give relief to the Inspectors by placing subject to his general control a competent Deputy on rs 35+10 in charge of one of the talukas and investing him with power to issue free tapping Licenses under section 12 and with the powers under chapter VIII of the Excise Regulation. This will be a very great step towards securing promptness in marking. Hitherto this power was exclusively in the hands of the Inspector, and as people have become fairly acquainted with the T.T System, time

time has arrived to create further facilities for the tapper to get his trees marked at once. I intend doing this gradually as men become available in absorbing vacancies in the lower grades, for I do not like to approach Government at present with application for more funds.

5. Now that there are some vacancies among the Assistant Inspectors on Rs 20 and 25, the entertainment of three on Rs 35+10 will not entail additional expenditure, as will be seen from the enclosed "proposition statement".

I have the honor to be,
Sir
